FINCA MAS VILELLA

## *Gran Autocton White 2021*

Albert Jane, native of El Vendrell, is a young winemaker who has family in the wine world since 1914, he left his land in 2006, Baix Penedès, to the DO Montsant and then to the DOQ Priorat and now returns home to begin his most vital and personnel wine project.

This project in an old traditional Catalan house “Masia” of the XVI century, Mas Vilella, in La Bisbal del Penedès, a wonderful old farmhouse with a lovely old wine cellar.

It is a vital project to recover and dignify indigenous (autochthonous) varieties of the area near where Albert was born... Xarel·lo, and Malvasia de Sitges have a special role.

Autocton means autochthonous, native, indigenous... like Albert and all the local varieties are native from this beautiful area.

All vineyards are around the cellar in the province of Tarragona, 60 km in the south of Barcelona city, in the area of Baix Penedès and Alt Camp, so it is a varietal wine without DO, no Origen identification.

They are vines that are not far from the wonderful Mediterranean Sea (20 km away) and always with the powerful Sierra del Montmell sight.

The vineyards are located in very poor clay and calcareous soils in an altitude of 300-500 meters.

**Gran Autocton white** is made from very old vines native from 50 to 90 years old, 90% Xarel·lo and 10% Malvasia de Sitges.
